

Introduction to Machine Learning for Engineering Research

An on-boarding course for undergraduate and graduate students to prepare for applied machine learning research!

- ✓ No background needed to begin!
- ✓ Learn ML techniques
- ✓ Build team research skills
- ✓ Obtain regular feedback from ML researchers
- ✓ Priority placement on future research projects!

**Summer 2024 Online
Session!**

July 15 - Aug 11

3 credits

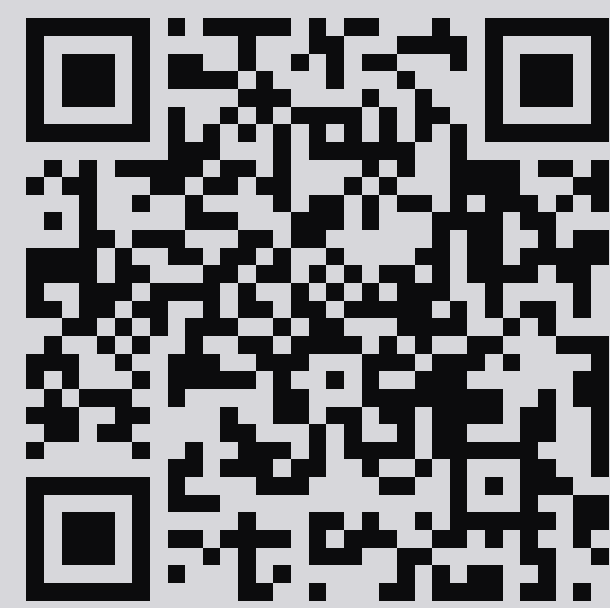

MSE 401-002 (undergrad)

MSE 803-008 (grad)

WISCONSIN
UNIVERSITY OF WISCONSIN-MADISON
